The Onalaska Youth Sports Association is a volunteer-staffed organization that offers recreational sports activities for the children of our community. The primary goal of the OYSA program is to provide a safe, enjoyable environment in which our children can develop sports skills, as well as experience in a positive manner the emotional social benefits of team play.

The role of the parents is critical to the success of the OYSA program. It is, therefore, important that you follow the guidelines set forth below.

Parent Responsibilities

- Full fill your volunteer obligation willingly, knowing that the effort you put forth will directly impact your child's experience.
- Always keep in mind that OYSA is a recreational sports program with an emphasis on developing skills and having fun. Although competition is a natural part of sports activities, do not make winning the primary goal for you or your child.
- Support your child and his/her team in a positive manner. Cheer **for** your child and his/her team, **not against** the opposing team or players.
- Always show **respect** for all players, coaches, game officials and other fans. Allow for the fact that anyone can make a mistake. Set a positive example for

our children with your behavior.

- Follow the regulations set forth by the school district and OYSA for use of its facilities. All facilities are **tobacco-alcohol-and drug free**.
