

OYSA FUND RAISING GUIDELINES

8/03/10

The sole purpose of fund raising is to help support the Onalaska Youth Sports Association. All fundraisers must be approved by a majority vote of the Board of Directors. A Fund raising Form must be completed and turned in to a Board member 7 days prior to the proposed fundraiser. The Onalaska Youth Sports Association reserves the right to accept or decline any or all fundraisers. All solicitations given to OYSA shall include the information of the Donor such as name, address, phone #, and amount of contribution so we will be able to thank them. Any Fund raising or Solicitations not approved by OYSA Board Members shall result in removal of all OYSA activity. Thank you very much for following these guidelines and keeping OYSA a respectful and successful organization.

Thank You
